

April Devotional: “From Showers to Flowers”

Scripture Focus: “Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up.” — Galatians 6:9

April is a month that teaches us something powerful— it reminds us that rain is necessary. We often associate rain with inconvenience... cloudy days, delayed plans, and unexpected disruptions. But spiritually, April whispers a deeper truth:
The rain is working for you.

Those showers? They are watering seeds you cannot yet see.
Every prayer you’ve prayed... Every tear you’ve cried... Every act of obedience when it was hard...God has planted something in you.
And just because you don’t see growth yet does not mean growth is not happening.

There are seasons in ministry where it feels like you’re pouring out more than you’re receiving... Serving more than you’re being seen... Giving more than you’re being replenished...But I hear the Spirit saying: “Stay in the rain. “Don’t run from the process.” “What I planted in you still lives.” Because rain has an assignment to prepare the ground for what’s next.

Reflection for the Month

What seeds has God placed in you that you may have overlooked or grown weary tending?

- A vision?
- A calling?
- A gift you haven’t used in a while?
- A ministry you’ve been praying about?

April is not your ending—it’s your watering season.

Encouragement for Every Woman

Sis, don’t be discouraged by what feels like a storm.

Your May is coming. Your blooming season is on the way. Your prayers are not in vain.

What God started in you...He will finish.

Prayer

Lord, thank You for the rain. Even when we don’t understand it, help us to trust that You are working beneath the surface. Water every seed You have planted within us—our gifts, our purpose, our calling. Give us strength not to grow weary, and faith to believe that a harvest is coming. Prepare us for the beauty of what’s next.

In Jesus’ name, Amen.

Closing Word

April showers are not a setback—they are a setup for your bloom. So, stand in the rain...Lift your face...And trust God for the flowers.
